2:40 - 4 p.m. **Using Oversight to Effect Change**

Effective legislative oversight is essential to ensure government entities are accountable and responsive to the needs of citizens. This interactive workshop, hosted by CSG West's Legislative Oversight Working Group and the Levin Center at Wayne Law, will highlight a variety of oversight tools to achieve greater accountability and effectiveness. Engaging with topic experts and colleagues throughout the session, policymakers will gain insights into the mechanics of investigations, fact-finding, and oversight hearings.

Presenters:

- Jim Townsend
Director, Levin Center
- Ben Eikey
State Training and Communications Manager, Levin Center
- Representative Kim Schofield
Georgia House of Representatives
- Rob Sand
Auditor of the State of Iowa

4:05 p.m. **Open Conversation on Working Group's Plans**

4:30 p.m. **Adjourn**
